

Shoreline Oaks HOA

Board of Directors

The Shoreline Oaks Homeowner Association (HOA) is a non-profit, community association. The Association has a responsibility for its common elements as well as the management and operation of the Association's business affairs, all in accordance with standards established by the governing documents.

Members of the Board of Directors serve without compensation. They volunteer their time and energy to serve the Association because they care about the investment they have in it. When you volunteer to serve on the Board of Directors, you are doing part of your duty as a member of the Association.

To form an effective board, directors must have a clear understanding of the strengths and weaknesses of the Association, its history and what is to be accomplished.

Feel free to contact the Board of Directors with any concerns, suggestions or observations through the primary contact via Buildium Resident Portal through the “**Requests**” icon at:

www.shorelineoakshoa.managebuilding.com

You may use the email at shorelineoakshoa@yahoo.com, you may drop a note in the drop box of the clubhouse or contact the Property Management Agent.

Board Meetings

The Board of Directors meet on a regular basis in order to make decisions, keep up-to-date on Association business and to hear from other homeowners in order to make proactive business decisions. As owners, keeping abreast of Association matters and contributing during Open Forum is only good business. When you choose to attend the Board meetings, you are doing part of your duty as a member of the Association.

Regular Board of Directors meetings will be held once a month. Typically this is the 3rd week of the month. Specific dates and times are posted on each Agenda.

Annual Homeowners meetings will be held within the first two weeks of May each year.

All meetings will be held at the Shoreline Oaks Clubhouse and/or virtually. Check your email for notifications. All homeowners are welcome to attend the monthly and annual meetings.
